This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at [www.skoda.co.uk/owners/wltp-info](http://www.skoda.co.uk/owners/wltp-info). Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 17th July 2023. The P11D values shown comprise of the cars list price, VAT and include extras as defined by Škoda. Škoda may change 'On the road' Recommended Retail Price prices at any time. Pricing valid as of 4th April 2023. On the road pricing includes 1st April 2023 VED rates. BIK rates valid as of 6th April 2023. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator. All Octavia PHEV engines closed for ordering as of 22.11.22.

## Octavia Model Highlights

The Octavia enables you to personalise the driving experience at every turn.

## Boot Capacity

All Octavia models have a common theme – space. The boot capacity is class leading, allowing it to easily tackle both work and home life.

Hatch - 600 / 1555 litres with seats up / down  
Estate – 640 / 1700 litres with seats up / down

## Fuel & Gearbox Options

The versatility and range of fuel and drive-trains available ensures there is something for everyone and every role. Options include;

- > **Diesel** - Manual & Automatic
- > **Mild Hybrid** - Automatic
- > **Petrol** - Manual & Automatic
- > **Diesel 4x4** - Automatic

“One of the best value-for-money propositions on the market. The Octavia boasts an impressive amount of space and comfort, combined with decent driving characteristics and performance.”

## More Power, Less compromise

Sustainability lies at the heart of every Škoda. So, whether you favour petrol or diesel, whichever option you choose, you'll find all our fuel efficient engines share the same reliability and uncompromising performance.

## Headlights and fog lamps

While every light on the Octavia is stylish, none are quite as innovative as the front headlights. Optional across our trims, matrix technology uses a windscreen camera to detect both the driver in front and oncoming traffic. Once detected, it automatically adjusts light intensity to avoid blinding others. Add to this the powerful LED Fog Lamps and you can be confident of a safe drive whatever the conditions.\*

## Front assist with predictive pedestrian protection

Using a radar device in the front grille, the Front Assist system is designed to monitor the distance from the vehicle ahead, and also includes an emergency braking function. Octavia comes with Front Assist expanded with pedestrian protection, which warns the driver via an audio/visual signal as well as a gentle jolt of the brakes.

## Virtual cockpit/head-up display

Replacing old-fashioned instrument dials, the Virtual Cockpit cleverly displays onboard computer specifications in combination with other key data such as maps. Intuitively designed to avoid distraction, the head-up display shows key driving data in a way that's easy to absorb at a glance.\*

\*Some equipment shown is optional
