WELCOME TO YOUR ŠKODA APPROVED WARRANTY

This cover has been designed to provide you with the best possible motoring protection, with the minimum of fuss and inconvenience, in the unlikely event of a mechanical and electrical failure.

This Cover Booklet sets out clearly the Warranty and the attractive additional benefits.

Your Confirmation of Cover shows the sections of cover that are applicable, the covered vehicle and any special terms or conditions that may apply.

It is very important that you read the whole of this Cover Booklet together with your Confirmation of Cover and make sure you understand what is covered, what is not covered and what to do if you need to make a Warranty claim or require help.

The Warranty is provided by ŠKODA UK ('the Company', 'we', 'us', 'our') and is administered by ŠKODA Financial Services (UK) Limited ('the Administrator'). This means you can rely on a prompt, efficient and courteous response should you ever need to make a claim.

This Warranty is not an insurance product but a guarantee provided by ŠKODA UK.

Keep this booklet in a safe place inside your vehicle and ensure it is stamped at every routine service. Your ŠKODA Retailer will carry out all service requirements and deal with any claims arising under the Warranty. We wish you many happy motoring miles enjoying the peace-of-mind protection of the ŠKODA Approved Used Warranty.

APPROVED WARRANTY COVER WORDING

What is covered

Your ŠKODA Approved Used Warranty covers almost all mechanical and electrical components on your vehicle, subject to the conditions detailed later in this section and the maximum claim limit. There are some components, such as service items, which are specifically not covered and these are listed in detail below.

What is not covered

Whilst you have a high level of Warranty cover, there are certain items which this Warranty specifically does not cover.

- › Bodywork, paintwork, body component (including encased aerials, gas struts, sunroof assemblies, soft top roofs, and seat frames, strikers, hinges or any component which may require adjustment from time to time).
- › Interior trim including seats, seat belts and pre-tensioners.

- › Wear and tear* of clutch component: clutch pressure plates, bearing and disc.
- › The clearing of fuel lines, filters, fuel injection system, throttle body, pumps and any damage caused by contaminated or incorrect fuel.
- › Airbags, batteries, bulbs, exhaust systems, water ingress (including damage to covered parts caused by water), wiper blades, wheel balancing and alignment; wiring, wiring looms, connections and fuses, wheels and tyres.
- › External oil leaks (unless it requires the removal of a major component e.g. Engine, Gearbox, Rear Axle), lubricants, filter elements and any damage caused by frost or lack of anti-freeze, impact, accident or negligence.
- › Catalytic converters and diesel particulate filters.
- › The gradual reduction in operating performance (wear and tear) due to the age and mileage of the covered vehicle.
- › Normal maintenance services, and the replacement of such items as, but not limited to, spark plugs, plug leads, oils, filters and lubricants (the cambelt is covered providing it has been maintained correctly).
- › Any losses or damage to components that are not directly covered within the terms of this Warranty.
- › Any diagnostic costs, other than the reasonable costs of diagnosis should a claim for a defective component be valid under this cover.
- › Electrical software update or reprogramming unless required due to the failure of a covered part.

* Wear and tear: Means the gradual reduction in performance of a component over time from normal usage, resulting in the failure to perform its intended function.

The total amount payable on each vehicle Warranty claim is limited to the purchase price of the vehicle including VAT for each claim, up to the aggregate purchase price of the vehicle.

WARRANTY CONDITIONS

Please take time to read the following conditions, which are an important part of your vehicle Warranty.

- 1. Warranty holder** – The Warranty holder is the only person who is entitled to make a claim under this Warranty.
- 2. Vehicle** – Any claim under this Warranty must relate to the vehicle described in the Confirmation of Cover.
- 3. Warranty period** – The period of the Warranty is as detailed in the Confirmation of Cover. It should be noted that in the absence, for whatever reason, of the standard manufacturer's Warranty period, the start date and expiry date of this Warranty will remain unchanged from that detailed in the Confirmation of Cover. Additionally, if the Warranty starts earlier than the date detailed in the Confirmation of Cover, because the manufacturer's Warranty has expired earlier on mileage, then the expiry date of this Warranty shall be earlier and reflect the period of Warranty purchased/provided.
- 4. Authorisation** – A repair must not be carried out without prior authorisation from the Administrator, with the exception of a repair completed in another country, which may be authorised by the Warranty holder.
- 5. List prices** – We will not pay more than the manufacturer's list prices for parts and labour time in excess of that published by the manufacturer. Please bear this in mind if you authorise a repair overseas.
- 6. Service record and receipts** – If you make a claim, our Administrator will be entitled to check the **vehicle** Service Schedule on page 12 of this booklet, to confirm that the vehicle has been serviced regularly. (See Condition 13.) In case this is stolen or mislaid, you should also retain your service receipts. We may ask to see these in the unlikely event that the condition of your vehicle does not appear to correspond with your **vehicle** Service Schedule.
- 7. Inspection of vehicle and parts** – We reserve the right to inspect the vehicle before authorising repairs and may also arrange for parts to be examined by an expert. You may be asked to ensure that any faulty part is retained for our inspection following a repair.
- 8. Dismantling of the vehicle** – If any part of the vehicle is dismantled to investigate a problem and it is found that the problem is covered by this Warranty, we will pay the cost of dismantling. In the event that the problem is not covered by the Warranty, you will be responsible for any costs incurred.
- 9. Manufacturer recalls** – Any component of your **vehicle** that is recalled by your **vehicle's** manufacturer is excluded from this Warranty.
- 10. Warranty cover** – This Warranty covers components to the vehicle, as specified on pages 7 and 8 of this Cover Booklet. It does not cover any other loss or damage, even if caused by a covered component.

11. Servicing – To ensure that your vehicle is maintained in good condition, it should be serviced in accordance with the manufacturer's recommendations. If it is not, we cannot be held responsible for any faults it may develop which could be attributed to the lack of service or maintenance. For this Warranty to remain valid each service must be completed within 500 miles of the mileage recommended by the manufacturer or within four weeks of the recommended time period, whichever occurs first. If you fail to have the vehicle serviced in accordance with the manufacturer's specification, cover will still apply for components which are not connected to vehicle servicing.

12. Modification to the vehicle – If you would like the vehicle to be modified in any way, you should obtain our prior approval and the work should be carried out by a Retailer participating in the ŠKODA Approved Used Car Warranty Programme. In the event that a modification, which was not approved by us, contributes to a fault, we reserve the right to reject any claim you may wish to make in relation to that fault.

13. Exclusions – This Warranty does not cover:

- a) Any loss, damage or failure that occurs while the vehicle is outside the geographical limit detailed on page 14 of this booklet.
- b) The gradual reduction in operating performance commensurate with the age and mileage of the vehicle.

This includes but is not time limited to:

- i) The gradual loss of engine compression necessitating the repair of valves or rings.
- ii) Gradual increase in oil consumption owing to normal operating functions.
- c) Failures caused by faults which a qualified engineer thinks could have reasonably existed before this Warranty began.

14. False claims – If you make a false claim under this Warranty, you will forfeit all benefits and the Warranty will be cancelled with no refund.

15. Other Warranties and Insurance – You must not use this Warranty to recover costs that are covered by another Warranty or an existing insurance policy.

16. Legal proceedings – Following the acceptance of any claim under this Warranty, we will have the right to conduct legal proceedings or enter into formal arbitration on your behalf. In doing so, we will be entitled to take action in your name. The cost of the action will be our responsibility, unless you have agreed in writing to an alternative arrangement. We will be entitled to any compensation and/or indemnity benefit obtained through these proceedings, to the extent that these relate to costs or potential liabilities covered by the Warranty. We will also be entitled to the costs of our action, if they are assigned to you.

- 17. Warranty cancellation** – This Warranty will automatically be cancelled without compensation in any of the following circumstances:
- a) If the vehicle is used as a taxi, mini-cab or driving school;
 - b) If the vehicle is made available for hire;
 - c) If the vehicle is a public service vehicle e.g. Police, Ambulance, Fire;
 - d) If the vehicle is driven in any competitive motoring event;
 - e) If the vehicle is used for courier services, security or haulage of goods and services;
 - f) If the speedometer of the vehicle is altered, disconnected or interfered with in any way, unless it is faulty. (Faulty speedometers may be repaired or replaced but only by a ŠKODA Retailer.)
- 18. Administrator** – ŠKODA Financial Services (UK) Limited is authorised by ŠKODA UK to act as their administrator in relation to this Warranty. All claims and correspondence should be submitted to them at the address detailed in the How to claim section of this booklet.
- 19. Cancellation rights and refunds** – You may cancel this cover at any time, however as this has been provided free of charge there is no cancellation or surrender value.
- 20.** Unless you and we agreed otherwise, the laws of England and Wales will apply and all communications and documentation in relation to this cover will be in English. In the event of a dispute between us, the courts of England and Wales shall have jurisdiction.
- 21.** You may have statutory rights in relation to the purchase of the vehicle. Your statutory rights are not affected in any way by this Warranty cover. For further information about your statutory rights contact your local authority Trading Standards Department or the Citizens Advice Bureau.

TRANSFER OF OWNERSHIP

In the event that you sell the vehicle to another private owner during the Warranty period, the full benefits of the Warranty may be transferred to them.

Roadside assistance

If **you** are stranded on a public highway (or other accessible road or area to which the public has the right of access) as a result of a **breakdown** to **your vehicle**, **we** will arrange for a **Contractor** to assist **you** who will try to repair the **vehicle** at the roadside. Roadside includes labour at the scene of the **breakdown** but not labour at any garage to which the **vehicle** is taken.

If the **vehicle** cannot be repaired at the roadside, or if repairs are unwise, **we** will arrange for the **vehicle** and up to eight people to be taken to an **Approved Repairer**. If **you** wish the **vehicle** to be taken to any other destination **we** will use reasonable endeavours to assist if **you** pay for the towage costs for the whole distance.

If **you** cannot readily get to the **vehicle**, **we** will arrange, if practicable, to have it towed to a place of safety and stored until **you** can collect it. The customer must be in attendance with the **vehicle** at the time of

breakdown and at the time of assistance. If the **vehicle** is stored, this is at the customer's cost.

Roadside assistance does not include:

Breakdowns which would be prevented by routine servicing of **your vehicle**.

assistance. (**You** may be able to recover these costs under the terms of **your** motor insurance policy).

The tow or transport of any **vehicle**, which, in **our** reasonable opinion, is loaded beyond its legal limit.

If there are more than five people this may require two separate **vehicles**. An adult must accompany any persons under the age of 16.

Residents of Northern Ireland are also entitled to be recovered from the Republic of Ireland.

In the event that the **vehicle** is vandalised or is involved in a road traffic **accident**, **we** may in **our** absolute discretion provide Recovery to the nearest ŠKODA UK approved body shop or, if **you** pay for the towage for the whole distance, to a destination of **your** choice.

Unforeseeable losses or events

Except in relation to any claim **you** may have for death or personal injury or for fraud or fraudulent misrepresentation, neither **we** nor **our contractors** will be liable for any increased costs or expenses or any loss, damage, cost or expense incurred

as a result of, or in connection with, ŠKODA Roadside Assistance that is not reasonably foreseeable, including loss of profit, business, contracts, revenue or anticipated savings, or for any business losses. **We** do not guarantee the provision of any of the benefits under this document, if there is anything beyond **our** reasonable control (for example storm, flood, severe weather, severe road traffic congestion, natural disaster, terrorist attack, war, strikes) or the reasonable control of any service provider which prevents **us** or a service provider from providing that benefit. Where such an event occurs, **our** obligations under ŠKODA Roadside Assistance will be suspended and the time for performance of **our** obligations will be extended for the duration of the event outside **our** control. Benefits may be refused if **you** or any of **your party** behaves in a threatening or abusive way to any persons providing service.

In some circumstances it can be quicker and easier for **you** to arrange a taxi. **We** may ask **you** to make **your** own arrangements for taxi service. If so please send **your** receipts to **us** and **we** will reimburse **you** subject to these Terms and Conditions, in particular the limits set out in the 'Onward Travel' and 'Service Whilst Abroad' sections above Service Providers. If **you** do not, **your** insurance policy may only cover **you** for damage **you** might cause to other people or their property (third party cover). This means that **you** will not be covered for any loss or damage to the **vehicle**. **Your** insurers will also need to know if **you** are towing a caravan or trailer.

Important Self-Drive Hire Car Information

ŠKODA Roadside Assistance will normally try to arrange a hire car similar in seating capacity and volume to, but not necessarily the same as, the **vehicle**, if there is one available. If **you** were travelling in an MPV or similar vehicle ŠKODA Roadside Assistance may arrange two hire cars. ŠKODA Roadside Assistance will only arrange this if there are two qualified drivers in **your party**. Otherwise, ŠKODA Roadside Assistance will arrange alternative means of transport.

Hire car providers do not act as **our contractors**.

The terms of such contracts will generally include limitations on driver age, driving convictions and other licence endorsements etc. The driver must also have held a full UK driving licence or equivalent for a minimum of one year (two years for France). **Your** credit card details will also be required as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle. If **you** leave a hire car at a different location to the one arranged by the ŠKODA Roadside Assistance control centre **you** must pay any collection charge which may be made.

Please note that many car hire companies across Europe charge a damage excess which is not covered by the collision damage waiver. The above chart is not an exhaustive list, further information can be found on the touring tips for each country and the Winter Requirement page.

Items highlighted above can be purchased from the AA Travel Shop – the one stop shop for all your motoring accessories.

Notes

1. Minimum age at which a visitor may drive a car.
2. UK driving licences which do not incorporate photograph are recognised but, drivers must be able to produce photographic proof of identity (e.g. passport).
3. All valid UK licences should be accepted. However, the acceptance of the older 'all green' style UK licences cannot be guaranteed. Drivers may wish to voluntarily update them before travelling abroad, if time permits. Alternatively, older licences may be accompanied by an IDP.
4. Before taking a **vehicle** abroad contact your motor insurer or broker to notify them of your intentions, and ask their advice. It is important to know what level of cover **you** will have and what documents **you** need to prove it.
5. GB Stickers are compulsory within the EU unless your UK registration plates display the GB Euro-symbol (Europlates) which became a legal option from 21 March 2001. The Euro plate must comply with the new British Standard (BS AU 145d). The Euro plate is only legally recognised in the EU; it is still a requirement to display a GB sticker when travelling outside the EU.
6. Not required for two-wheeled **vehicles**.
7. Although not compulsory for visiting motorists to carry a warning triangle, its use is compulsory in an accident/ breakdown situation.
8. Spain: One warning triangle compulsory for non-Spanish registered **vehicles**; two for Spanish registered **vehicles**. Note: Drivers of non-Spanish registered **vehicles** should consider carrying two triangles as, regardless of regulations, local officials may impose an on-the-spot fine if only one is available. Croatia: Two triangles compulsory for **vehicles** towing a trailer. Switzerland: Warning triangle must be kept within easy reach (not in the boot).
9. The use of hazard warning lights or a warning triangle is compulsory in an accident/ breakdown situation. However, a warning triangle should always be carried as hazard-warning lights have no effect at bends or rises in the road, or may become damaged or inoperative.
10. Wearing, compulsory if driver and/or passenger(s) exits **vehicle** immobilised on carriageway, in Italy at night or in poor visibility, in Spain on all motorways and busy roads, it must be kept within the **vehicle**. In Croatia the wearing is compulsory whenever **you** have to get out of the **vehicle** at the roadside in an emergency. In Portugal and Norway the actual law applies to residents; however, regardless of the regulations local officials may impose an on-the-spot fine. In Belgium the wearing of the reflective jacket only applies to the driver, it must be worn should **you** be stranded on a Belgian motorway or on a major road or should **you** stop at a place where parking is not allowed. In France drivers must have one warning triangle and one reflective jacket in their **vehicle**. In Austria the regulation applies only to the driver.

11. The legal requirement is to 'not dazzle oncoming drivers' rather than specifically to adjust/convert the headlamp beam pattern. Without adjustment the dipped beam will dazzle oncoming drivers and this could result in a fine. Headlamp beam converter kits are widely available but may not be suitable for all types of headlights. The AA shop sell beam converters suitable for all **vehicles** and individual fitting diagrams are included for the latest 'clear glass', 'projector and xenon' headlamps inside the packaging. In some countries it is compulsory to use dipped headlights at all times when driving during the day. Note: this adjustment is not required for two wheeled **vehicles** as the beam pattern is more symmetrical but check that any extra loading has not affected the beam height. On some cars it is inadvisable or impossible for anyone other than a qualified technician to change a headlamp bulb unit e.g. high intensity discharge (HID) headlamps and carrying spares is not an option. However, it is recommended that spare bulbs are carried for any lights that may be easily and/or safely replaced by the owner/driver. Spare bulbs are compulsory for Croatia.
12. Sweden: Police are not authorised to actually collect fines, which must be paid in accordance with notice instructions. Italy: Police will collect a quarter of the maximum fine amount from drivers of foreign registered **vehicles**. Ireland: Police are not authorised to actually collect fines, they will issue a notice which must be paid within 28 days. Croatia: The fine does not have to be paid on the spot; however it does need to be paid within eight days. Portugal: Some traffic police carry ATMs.
13. Portugal: Visiting drivers of 17 years of age may encounter problems even though they hold a valid driving licence in the UK.
14. Outside built up areas, during snow or rain causing poor visibility.
15. Compulsory during daylight hours if the visibility is poor. For France the use of dipped headlights are recommended throughout the year, for Croatia during daylight hours from the last Sunday in October to the last Sunday in March.
16. Recommended as their carriage is compulsory for **vehicles** registered in that country.
17. Many countries now stipulate that GPS based navigation systems which have maps indicating the location of fixed speed cameras must have the 'fixed speed camera Pol (Point of interest)' function deactivated, please check individual touring tips.
18. In order to use some Motorways in Portugal, a temporary electronic toll device (DEM) or the pre-payment of tolls is required.
19. Recommended for two wheeled **vehicles**
20. In principle all drivers should possess a breathalyser, however, as of 25 January 2013 a driver can not be penalised for not carrying one – the possibility of imposing a fine has been postponed indefinitely. The breathalyser has to be a certified by the French authorities, showing an 'NF' number. The official text states that one unused breathalyser should be produced. **We** recommend that two single-use breathalysers are carried, so if one is used or damaged **you** will still have a replacement to produce.
